Manchester Based | Driver - Own Car

I am a motivated independent producer, director and writer for the stage, with twenty years of skills, knowledge and experience. I am keen to transfer my passion for making high-quality, entertaining and accessible productions into scripted television, and recently completed a production management course with *SharpFutures* to gain an understanding of the TV industry. I am now looking for opportunities in television drama development, where I consider my abilities and experience to be best matched.

Creative and Development Skills

- Highly experienced in producing and directing original plays in association with The Royal Exchange, The Lowry, HOME & other venues
- Confident and highly experienced at originating, researching, developing, writing and co-writing drama
- Confident and successful at writing and pitching concepts, projects and ideas
- Drama screenwriting – top 14% for ITV Red Planet Prize 2020
- Script reading for the Bruntwood Prize at The Royal Exchange
- Dramaturgy and script editing
- Confident speaking and presenting
- Conceiving, writing and directing video trailers for live theatre productions
- Directing research and development projects & script-in-hand performances with a diverse range of writers and artists
- Degree level lecturing on various university acting courses – confident creative facilitator
- Experienced at TV and commercial acting

Management and Production Skills

- Positive and effective project manager with a nurturing approach and a track record of leading happy and successful teams
 - Excellent team player, clear communicator, patient and disciplined, with strong attention to detail
 - Successful fund raising, bid writing, evaluation and report writing
 - Setting and managing budgets, cash flows, and payments for projects up to £50,000
 - Assembling creative teams, casting stage productions, negotiating and writing contracts
 - Booking & scheduling regional & national touring productions, including venue liaison, accommodation & transport
 - Copywriting, planning, managing and implementing marketing campaigns
 - Experienced at creating rehearsal and production schedules
 - Confident using Microsoft Office programs
 - Experience using project & file management tools such as Slack, Trello, Dropbox and WeTransfer
 - Basic Sound and Video editing
-

Production Experience with SharpFutures

Practical tasks to embed project management skills, systems, roles and responsibilities, including:

- Successfully pitched a film making project for inclusion in *BBC Academy - Digital Cities Virtual* and hosted the livestream showcase with a panel of short-form video experts from BBC Three and BBC Academy
 - Planned for an imagined *Factual Entertainment* location shoot - creating call sheet, budget & schedule
 - Successfully pitched, developed and delivered an online event for *Manchester Animation Festival*
